Attention: Mr. Tim Sterkenburg, Governing Board Chair

Dear Governing Board Members:

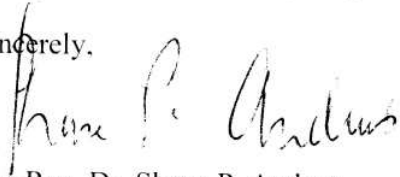

What a pleasure it is to congratulate you on the 30th Anniversary of Cornerstone Christian School. We are so proud of your significant accomplishment.

Governing Board Members, parents, staff and students have worked hard over the past three decades. It is an outstanding achievement in Christian education!

On a personal note, I have a friend who has been blessed by your ministry. Cornerstone was the only school willing to accept her son after many difficult experiences in another educational system. At Cornerstone his academic career and personal life turned around. His success is a living tribute to Cornerstone's work.

May the future bring everything God has planned. Congratulations once again.

Sincerely,

The Rev. Dr. Shane P. Andrus
President
